

Arizona State Team Time Trial & Tolero's Picacho Peak ITT

Presented by Tolero Racing
May 5, 2024 (Sunday)
Held under USAC Permit #9095

Toledo Racing is proud to host Tolero's Picacho Peak 20K/40K Team Time Trial (TTT) Arizona State Championships and the Picacho Peak Individual Time Trial (formerly known as 3Bears #1). The time trial will be held at Picacho Peak, Arizona, just east of Picacho Peak State Park and just south of the Picacho Peak Dairy Queen. This location is conveniently located halfway between Tucson and Phoenix. We will have the first rider off at 7:00 a.m. For increased rider safety, we will add another police officer presence on the course. This will leave us with two officers, one at the start/finish, and the other on the course for increased police presence.

While COVID-19 measures are no longer in effect, please feel free to continue measures as you feel necessary. We do encourage riders to bring spectators.

While the course has low vehicular traffic, racers must still stay to the right side of the road except for safety and passing! There will be race officials on the course to enforce this rule! Also, keep your focus on the road for potential hazards.

TTT ELIGIBILITY: In order to compete for the title of Arizona State Team Time Trial Champion, all members of the team are required to have a **current and valid USA Cycling Annual Racing License**. Each team will race in the category based on their combined ages or in the open category where there are no age restrictions. Racers possessing a 1-day, out-of-state, or international license can still race, but you will not be considered for the state titles and medals. USA Cycling State Championship medals will be awarded to the top three Arizona teams in each category that hold yearly racing licenses.

ITT ELIGIBILITY: All racers must race in their own category. No racing up or down categories. Racers possessing a 1-day, out-of-state, or international license can still race.

START TIME: First Start will be at 7:00 a.m. Start times will be posted on race website Toleroracing.net by 8:00 p.m. Friday, May 3rd. **Your start time will also be written on your bib number.**

REGISTRATION: Registration will only be online at <https://www.bikereg.com/65368/Toleros-Picacho-Peak-Itt--TTT-Picacho-AZ>

where you can also purchase your 1-day license; no day-of registration or 1-day licenses will be sold at the event. **You must sign your waiver release online when you register for the race. We will not have your waiver to sign at the event. BikeReg will register you with an expired license. This means you either need to purchase an Annual license or purchase a one day license when you register.**

PACKET PICK UP:

Packet pick-up will start no earlier than 5:30 AM (close at 7:30) and will be as you drive into the dirt parking lot/warm-up area.

PARKING/WARM-UP/STAGING:

Dirt parking lot at the BOWLIN’s Picacho Plaza, 16098 E Camino Adelante Dr., Picacho, AZ 85141. Recommend you bring your trainers for a good warm-up. Lesson learned from previous races. **Please do not park on or block the gas refueling pad (see “NO PARKING” area on image below);** Bowlin’s may have a gas delivery on raceday and they need access. Also, please park where you won’t impede the exit of those 18-wheelers that are remaining in the parking lot. **Please remain in your car and follow the traffic cues to pick up your bib (it will have your start time marked on it). Once you have your bib proceed to park and warm-up. Remember, when you park, please do not block the 18-wheelers’ exit path. We will have extra porta-potties; please follow the marked traffic flow.**

BIB # PLACEMENT:

Proper placement of the bib # is necessary so our officials can accurately read your number and record your time when you cross the finish line. The photos below show the proper placement for kneelers/upright (right back) and recumbents (right leg).

Please remember, if you use glue to attach your number, you should use at least two pins on the leading edge. We have seen too many glued on numbers flapping in the wind covering the number. If the officials can't see your number, you may not be scored.

STARTING LINE: Manpower permitting, we will have holders. If not, all starts will be foot down.

TIME TRIAL COURSE:

The Time Trial will be held near Picacho Peak State Park, conveniently located halfway between Tucson and Phoenix. This is a flat course. At the start, you will head south (away from the Dairy Queen) and at approximately the 10km point (20km point for the 40K racers), execute a 180-degree turn and return to the finish. For our hand cyclists, this turn can be tight, so make sure you are well to the right to allow enough turning room. There will be no warming up on course after the first rider has started.

Lastly, please do not drive on the racecourse for your trip home while others are still on the course (yes, this happened in a previous race).

- Riders should discard all refuse in trash receptacles placed at the start line or bib pick-up

RACE RESULTS & AWARDS: We will compile and post the race results as soon as possible throughout the event. We will award the top three AZ state teams in each TTT category with medals within an hour after results are posted. Podium celebrations will take place in the registration parking lot. If we are unable to award medals after the event, anticipated posting of all race times will be approximately 8pm that evening. Look for your notification email from the race director and check toleroracing.net.

Remember, we are also hosting the Arizona State Individual TT on the same course September 15, so you individual TTers can get your medals then.

Jersey Ordering Instructions: Instructions and links for champions to personally order their championship jersey will be provided in a separate email.
